

TOWN OF DANIEL, UTAH MUNICIPAL ORDINANCE

Number: DO 2009-10-05B

Appr. Date: October 5, 2009

Effect. Date: October 7, 2009

Short Title: Wind Energy Conversion Systems (WECS)

Purpose: The purpose of this ordinance is to establish a process, rules, and standards for the construction and operation of WECS used primarily for on-site power for residences within the Town of Daniel.

Ordinance: Whereas, the Town Council having approved a 6 month moratorium on accepting applications for construction of windmills within the Town of Daniel at their April 6, 2009 meeting,

And whereas, the mayor having asked the Daniel Planning Commission to draft an ordinance to be used to govern the construction and use of windmills within the Town of Daniel,

And whereas, the Daniel Planning Commission has recommended to the Daniel Town Council such an ordinance for consideration,

Be it ordained by the governing legislative body of the Town that:

The Town Council does approve and adopt the attached ordinance to govern the rules and standards for construction and operation of Wind Energy Conversion Systems.

Stat. Res(s): U.C.A. Title 10, Ch. 3.
